

# NiteOwl Printing and Packaging of Chicago Announces Major Investment & Grand Opening of New Itasca IL Facility

CHICAGO, ILLINOIS, UNITED STATES, January 7, 2021 /EINPresswire.com/ -- Itasca, Illinois – NiteOwl Printing and Packaging-Chicago has heavily invested in a new manufacturing facility in Itasca, which includes state-of-the-art printing and packaging equipment and expands its production capacity in the Chicagoland area, to service local as well as national businesses across the country. The new facility is 46,000 square feet, with operations commencing in November 2020, and full production of printing and packaging services expected by the end of next month, January 2021.

“By moving into our new facility in Itasca, we significantly improve our manufacturing efficiencies, along with upgrading to state-of-the-art digital and offset equipment. This allows us to continue our mission of providing the heavy lifting capabilities of a \$100MM printing and packaging company, with the flexible, fastest to market proficiency of a local print shop”, says Sandip Mehta, owner of NiteOwl Printing and Packaging. “We always give that little bit extra on every job we do, from our client-centric service team to our graphic and packaging designers, to our pressmen and warehouse workers, in addition to providing better technology, and better quality”.

“

This investment in our new state-of-the-art facility and equipment allows us to provide the heavy lifting of a \$100MM printer and packager, with the flexibility and speed of a local print shop.”
