Unedited and raw. Unlike anything you have ever read from a police officer, this book will take you behind the curtain and into a journey that only police officers' experience. From his first day in the police academy to his last day as the Chief of Police in Middletown, Ohio, home of *Hillbilly Elegy*, you will feel as though you are right there with the author the entire book, in a uniform, in a cruiser, and his personal life.

Never written to be released to the public, this easy-to-read format is the actual unfiltered personal journal of Chief Rodney Muterspaw, an award-winning Ohio Police Chief and Congressional guest at the Presidential State of the Union. You will feel the gamut of emotions as you follow him as a rookie, a patrol officer, investigator, narcotics officer, parent, internal affairs supervisor, and a Chief of Police, in one of the most well-known smaller cities in the Midwest. Regardless of what side you are on, you will see a different side of policing that you have never

seen.
