The struggle between cannabis and politics has always been contentious and confusing. Brown who is a consultant to [Harborside](#) the oldest and largest dispensary in California, and for several years served as president. He offers his unique expert acumen about the industry and the national scene.

"It was a great pleasure to be on America's Cannabis Conversation, to discuss all things cannabis," states Brown. "It's well-rounded comprehensive coverage of the industry is impressive." Hot topics discussed: how he became involved in the cannabis industry, the national movement, the current administration and new administration re: cannabis, taxes, regulations, CA leading the national scene, banking...

“

The Safe Banking Act has an opportunity, and it is because the non-cannabis world benefits from that kind of business - handling the financial transactions..."

*Willie Brown*

Brown explains, "The Safe Banking Act has an opportunity, and it is because the non-cannabis world benefits from that kind of business - handling the financial transactions..."

Believe me - Chase, Morgan Stanley, J.P. Morgan, Bank of America, Wells Fargo, etc. every one of those operations would love nothing better than to be the persons who could do the transactions involving cannabis." The U.S. marijuana industry will generate \$85 billion in sales in 2030, according to Cowen analyst Vivien Azer.\* There will never be a shortage of growth, strategy and real-time concerns. Brown predicts, "As time unfolds, there will be the business of treating cannabis no different from other products."
