EINPresswire.com/ -- Even before COVID-19 people were working from home more than ever. Factor in the pandemic and the number of remote workers is skyrocketing.

Mobile Edge supports remote workers and other mobile professionals with a wide range of mobile power and personal productivity accessories

At the same time, somewhat surprisingly, productivity has seen a sharp rise. [Research](#) shows that home-based professionals focus more on tasks that matter, are less distracted by meetings, and they're scheduling their time more efficiently. [Mobile Edge](#) supports remote workers and other mobile professionals with a wide range of mobile power and [personal productivity](#) accessories that also happen to make great holiday gifts.

“

One place we haven't had to sacrifice is with the quality and functionality of gadgets designed to make us more efficient and keep us connected on the job and at home...”

*Paul June, VP of Marketing*

“2020 has been a difficult year. We've all had to sacrifice in the ways we normally work and play,” explains Paul June, VP of Marketing for Mobile Edge. “One place we haven't had to sacrifice is with the quality and functionality of gadgets designed to make us more efficient and keep us connected on the job and at home, which nowadays is the same place for many.”

Now through December, Mobile Edge is featuring holiday

specials that make it easier than ever to get some of the hot products and must-have cool tech home office executives and mobile professionals desire the most.

If reliable power is what the man or woman on your gift list craves, and lots of it, the All-in-One USB-C Adapter Hub turns a single USB-C Port into a powerhouse workstation. It securely connects most devices and/or peripherals to a laptop or tablet via a durable USB-C Cable, plus provides 4K HDMI Video Output, an SD/Micro SD Card Reader, and High Speed 2 USB ports for 5GB data transfer.

For Qi-enabled smartphones, the Mobile Edge Wireless Charging Mouse Pad is a versatile 2-in-1 product that cuts down on desktop clutter by doubling as an ultra-slim mousepad and wireless charger. Just set your phone on the mousepad and start charging immediately.

For that loved one who's always in search of a nearby outlet, our Core Power AC USB 27,000mAh Portable Laptop Charger, with its universal AC outlet, is ideal for power-hungry laptops and gaming consoles.

### Protect & Organize

Of course, the mobile professional on your list needs to protect, organize, and transport all that gear. Mobile Edge produces the industry's leading selection of protective and fashionable cases and "go bags." We offer a variety of styles that offer superior organization, excellent protection, and maximum portability for electronic gear and accessories, plus laptops, tablets, and gaming consoles, depending on your needs.

Our Graphite Line Cases represent a fresh, edgy take on several of our most popular and bestselling backpacks, messenger bags, and briefcases redesigned using a premium graphite-colored nylon material and fashion-inspired interior linings.

The award-winning Core Gaming Backpack offers ample storage for laptop and gaming consoles, it's TSA checkpoint-friendly, and it features plenty of pockets and compartments for stashing cables, chargers, cords, headphones, a mouse, and a keyboard. It's available in three styles, including one specially designed to fit virtual reality headsets and controllers.
