in Business Award](#)

Los Angeles (December, 14th 2020) - QualityWorks has been named to Inc's inaugural Best in Business List in the category of Business Services. The achievement specifically recognizes the work that the company has done in the past year to make a positive difference in the community through their social impact and diversity initiatives.

Founded in 2010 by Stacy Kirk, QualityWorks is a team of innovative and diverse problem-solvers who specialize in building and testing digital products. The company prides itself on

its commitment to delivering solutions that have a lasting and positive impact. The Best In Business award is in recognition of their work this year to diversify tech through a free software testing boot camp designed to train and place professionals from underrepresented communities into high-paying, high-demand jobs in software testing.

"I'm very proud that our company, QualityWorks Consulting Group, LLC was selected as an honoree for Inc. Magazine's #BestinBusiness Awards! It is a core part of our mission to go beyond just delivering really great tech to our clients; We want to make sure that our work has real impact on the lives of people. It's really great to be recognized for that," says Stacy Kirk.

In 2020, QualityWorks also worked on SharedHarvest's myCovidMD, to build a platform that

allowed them to manage students who volunteer to support large scale COVID-19 testing initiatives in exchange for a reduction in their student loans.
