

# PureAir Filtration Announces Strategic Export Sales Alliance with Dorian Drake International

*PureAir Filtration announced a strategic alliance with Dorian Drake International to manage export sales of air filtration equipment and products.*

WHITE PLAINS, NEW YORK, UNITED STATES, December 21, 2020 /EINPresswire.com/ -- PureAir Filtration, LLC announced a strategic alliance with Dorian Drake International, Inc. to manage export sales for PureAir's filtration products that specialize in the removal of corrosive gases, toxic vapors, and odors.

Dorian Drake will manage all aspects of product bids, sales, logistics, and customer service in their coverage region. Dorian's area of coverage includes Latin America and the Caribbean, except Puerto Rico.

"We are looking forward to the growth of our business internationally through our partnership with Dorian Drake," said Kevin Jameson, President at PureAir Filtration, LLC. "They bring the knowledge and expertise in conducting business in key international markets that will assist us in achieving our strategic goals."

Commenting on the new arrangement, Jaime Escobar, Dorian Drake's Industrial & Environmental group manager said, "we are excited about expanding our product range to include PureAir Filtration's products portfolio. They're an established and well-known player in creating high value and high-performance customized [odor control](#), gas scrubbing and electronics corrosion protection solutions. We're eager to jointly develop unique systems to satisfy our customer's [air filtration](#) and purification needs."

## About PureAir Filtration

PureAir Filtration, founded in 2004, specializes in providing customized, high performance air quality solutions that aid in the removal of corrosive gases, toxic vapors, and odors. With
