Sponsored by Opportunity Youth United, The GReY Project launched #VOICEYOURVOTE: YOUNG GEORGIANS.

By hosting a panel discussion moderated by founders of the Politicking io app, a tool intended to prepare all US citizens for civic engagement, The GReY Project will convene professionals, state officials, and young adults in Atlanta, GA on JANUARY 3rd, 2021 @ 6 PM TO 8 PM EST.

#VOICEYOURVOTE: YOUNG GEORGIANS is a call to action for all eligible young adults to activate, mobilize, and leverage the January 5th, 2021 election to be heard on immediate and systemic barriers concerning their overall permanency or otherwise stability and equity as young adults.

#VOICEYOURVOTE: YOUNG GEORGIANS is also meant to prepare our peers with useful information to make sound choices based on achieving positive policy transformation.

The voting process is not always the easiest process to understand. We aim to articulate the connection of voting to structured opportunities for ourselves and our families regardless of who's in office.
