#### About Amanda Hope Rainbow Angels.

Amanda Hope Rainbow Angels is a 501(c)(3) nonprofit organization that brings dignity and comfort into the harsh world of childhood cancer and other life-threatening diseases across Arizona. Through our Comfycozy's For Chemo apparel, Comfort and Care Counseling, Major Distractions (spa days, sports camps, teen nights, etc.), and Financial Assistance, we support the here-and-now needs of families that have a child who is fighting cancer or a life-threatening disease. Lorraine Tallman founded the organization after her young daughter Amanda Hope lost her almost four-year battle with leukemia and a brain tumor. Amanda dreamed that one day she would design a fun clothing line to provide comfort and dignity to kids who were also going through chemotherapy. Her dream lives on through Amanda Hope Rainbow Angels.
