Still Coolin Available Now on Major Platforms

LOS ANGELES, CALIFORNIA, UNITED STATES, January 1, 2021

/EINPresswire.com/ -- DaBwoi Fane, a hip-hop/rap artist, starts the new year by releasing his track, "Still Coolin". The single was inspired by one of DaBwoi's 2014 records titled, "For The Love" mixtape.

"Still Coolin" is a masterful, uptempo track, giving off relaxed, unbothered, and chill vibes. "Still Coolin" is arguably DaBwoi Fane's best work to date.

DaBwoi believes sticking to your guns is important as his latest track, "Still Coolin", encourages listeners to become better versions of themselves. "Sticking to your purpose and staying true to yourself is important to getting through obstacles through your personal journey," says DaBwoi.

"Still Coolin" is one of DaBwoi's proudest singles and demonstrates great progress within the quality sound of his music, wordplay with lyrics, and practices getting craftier/whittier in each track.
