Best Social Media Platforms. “Overall Lyfeloop is an extremely well built social platform rightfully dubbed the best Alternative to Facebook, but the main reason for the fast success of Lyfeloop is the fact of it being a truly non-political and non-bias making it stand out from the small handful of other free speech social media platforms that have recently gained attention. New free speech social platforms with growth numbers worth noting consist of entire active user bases of republicans or democrats, most

gained endorsements from popular political figures according to a recent poll of active users” said Britney Morgan from the Public Affairs Administration. “Lyfeloop, a next generation social media platform that is revolutionizing the social media industry. It is a complete all-in-one platform, addresses the problems of social media - free expression, privacy and user health, and changes the focus from political to benefiting society, announced today a lineup of major social media influencers who are fed up with big tech censorship and have joined Lyfeloop” continued Britney.

Justin Malonson, the founder of Lyfeloop, stated “Lyfeloop will always be to have users of all

beliefs and viewpoints. Lyfeloop is about free speech period! That means free speech, and everyone will always have a right to state their own beliefs and opinions. Just because a person does not agree with or have the same beliefs as another person does not mean that they do not have the right to. " Lyfeloop is designed to be a people first platform which empowers and unites people from across the world. At the same time, we protect free expression, their privacy and created a complete all-in-one platform that offers an amazing level of convenience for our member," Justin explained in a statement. "We bring people together like no other social media platform in the industry and offer a true alternative for members who have lost all faith in the existing social media."
