Himalayan Pink salt ghee

“

Milkio Foods has launched Himalayan Pink Salt Grass-Fed Ghee: a unique dairy product enriched with ghee benefits powered by additional health support of 84 trace minerals of Himalayan Pink salt.”

*Milkio Foods*

According to Milkio spokesperson, Himalayan Pink Salt Grass-Fed Ghee is a dairy produced by infusing Himalayan Pink Salt in it. The ghee offers all the health benefits of grass-fed clarified butter along with the unique benefits of pure Himalayan Pink Salt.

As a mineral compound, pink Himalayan salt is free of Calories, protein, fat, fiber, sugar, and carbohydrates. According to research, the salt has ample sodium content that helps in supplementing the sodium requirement of the body. Besides Sodium, Himalayan pink salt contains 84 trace minerals, which are good for boosting immunity in

the human body.

Himalayan Pink Salt Grass-Fed Ghee clarified butter by Milkio Foods is a [Keto-Friendly](#), [Non-GMO](#), Lactose-Free, casein-free, Gluten-free, and only pasture-raised 100% grass-fed cow milk-fat is used for making this ghee clarified butter. It is high in calories and offers a high smoke point that makes it safe for all types of cooking methods, be it is high-temperature cooking or slow cooking process.
