“

We are over the moon. This is a great testimony that Love and Compassion have NO border and NO ceiling. It is ultimately up to each of us to do nothing or to support and give to those in need.”

LILLIAN GORBACHINCKY:

Classically trained singer and songwriter, Lillian is a multidisciplinary artist whose talent combines a Classy style and a Luxury flavor. Friend of the Bocelli family, she enjoys singing alongside ANDREA BOCELLI and supporting the ANDREA BOCELLI Foundation in its various initiatives. When she is not performing, Lillian Gorbachincky is a High-end Luxury Designer influenced by King Louis XIV of France. Lillian is the proud owner of Cosmopolitan Glass & Metal, the premier source for artistic and architectural glass and metalwork for today's Royal Elite brands such as Tiffany & CO., Graff Diamonds, Christian Dior, and Chanel; AD100 Designers and architects such as Peter Marino, Stephen Sills, Jamie Drake, Fox-Nahem; and the private nobility of the Upper East Side—all of whom, like King Louis, seek the finest design

craftsmanship in glass and metalwork. Daughter of the Lead Ballerina at the State Ballet in Armenia, Lillian was always privy to human expression and her parents' gatherings of artists at home constantly inspired her. The famous Tiffany & Co. blue would wind up coloring her portfolio. After her first milestone project with the iconic jeweler for their boutique at Printemps in Paris in 2007, she worked on over forty Tiffany & Co. stores worldwide. In 2013, she

collaborated with the brand's Creative Director to create whimsical window installations inspired by The Great Gatsby, which today are preserved in the Tiffany & Co. archive. While her artistry continues to define the facades of the world's top luxury brands, it is increasingly coveted for interior, residential spaces: a glass fountain wall for a prominent collector glistens uptown, and her famous "million-dollar kitchen" awarded 2019 Best in Show Furniture by the ASID (American Society of Interior Designers) is now on view in her gallery.

ILARIA DELLA BIDIA and LILLIAN GORBACHINCKY will join an already packed lineup at the Dec 30 Charity Gala. The BERVANN and ANDREA BOCELLI Foundation GALA II have received tremendous support from a plethora of performers with different styles offering their audience a very enjoyable entertainment:
