

# Providing effective learning solutions for primary school students

*CPD Singapore's wide range of titles aims to build students' confidence and create exposure to different types of questions.*

SINGAPORE, December 23, 2020 /EINPresswire.com/ -- Having the right learning tools is important to help students build a strong foundation in [primary school](#). CPD Singapore Education Services Pte Ltd offers educational solutions for primary school level students to give them the confidence needed to hone their skills.

CPD Singapore is a Singapore-based education consultancy firm which provides educational solutions to its customers, consisting of a network of university professors, former National Institute of Education (NIE) lecturers, and ex-Ministry of Education (MOE) officers. CPD's [assessment books](#) are written by dedicated education professionals who aim to make learning engaging and effective for students of all levels.

CPD's primary level assessment books contain a variety of practice questions designed to train students in different skills and topics. Assessment books are crafted to allow students to practice a particular skill extensively, for instance, English practices on Editing, Situational Writing or Comprehension Cloze. With effective practice, students will be able to develop confidence and have a firmer grasp of the subjects.
