ITBFX Metatrader has been developed by world number one [Forex](#) software developer, MetaQuotes. All currency pairs, commodities, stocks, indices, exotic metal, CFDs and all tradable options are offered by ITBFX. [ITBFX international broker](#) has over millions of happy traders.

ITBFX Profile

International opportunity management fund Co. Ltd. is based in Seychelles. Poverty alleviation is one of several missions ITBFX has set and 24/5 support by experts, is their most important and significant feature. ITBFX has also provided local payments method in all covered areas to ease trading for traders. Each trader has personal coach to make sure that traders squeeze the profit margin per each trade.

ITBFX free signals

Experts at the ITBFX, provide daily insights and tips for traders. Free technical and fundamental analysis are provided on daily bases in their site (itbfx.com). Based on traders' choice, tips can also be emailed or sent via Whatsapp and Telegram. All contents are provided in local languages for all audiences.

Trade platform

ITBFX has provided modern MT5 developed by MetaQuotes. MetaQuotes MT5 is fastest and most equipped platform. Over 50 charts and analytic instruments are at your hand. It keeps the record of all trades and analysis traders make. Special themes are also available to personalize your trading software. Windows and Mac users can use desktop version and also ios and Android versions are provided for free.

[ITBFX accounts](#)

ITBFX has provided 3+1 accounts. Starting from free demo account up to pro account. Standard account includes most of common instruments and therefore is most used by traders. Share account has been specifically designed for traders interested in shares and indices. Most comprehensive account is also Pro account which includes all tradable items. Pro account includes:

- All major and minor currencies

- Exotic metals and spot metals
- Commodities (CFD)
- Shares (CFD)
- Cryptocurrencies (CFD)
- ETF (CFD)

ITBFX partnership

ITBFX has developed a unique partnership plan and platform. Multi-level commissions are considered for partners who introduce new traders. Unique platform of partnership is totally transparent which allows partners to investigate trades of subdirectory traders. Therefore, a fast and transparent platform has been designed to present and calculate commissions of partners. They also presented a plan so-called "ground-zero" in which they coach traders to become partners.

Risk Warning: Please note that trading in leveraged products may involve a significant level of risk and is not suitable for all investors. You should not risk more than you are prepared to lose. Before deciding to trade, please ensure you understand the risks involved and take into account your level of experience. Seek independent advice if necessary.
