

Fast, Free, and Unlimited VPN for Everyone

NEW DELHI, INDIA, January 5, 2021

/EINPresswire.com/ -- The long quarantine period is the biggest factor on why the completely free VPN industry is on the rise and not gonna lie low anytime soon. With people just staying indoors and cozying up their beds, they are gonna find something to do like browsing the internet.

Although paid VPN services had already built a great reputation in the technology industry, these free VPN services have great promise - that their services would be a completely free VPN and it will be as great as the best paid VPN apps.

The advertisement for GoingVPN features a blue background with a white smartphone displaying the app's interface. The text 'GoingVPN' is at the top in blue, followed by '100% Free VPN' and 'No Limit High Speed' in white. A 'GET IT ON Google Play' button is visible. The smartphone screen shows a list of VPN servers with columns for location, status, and speed.

Users would get to enjoy browsing the internet while connecting to some free VPN app but mostly, these VPNs have a monthly data limit. [See free VPN list here to know more.](#)

Introducing GoingVPN: where the three components of a dream VPN are at a user's hands. Aside from being a free VPN app, it also offers unlimited VPN for everyone. Users now can revel in surfing the web and accessing blocked contents anonymously. It is also considered as one of the fastest free VPN apps for Android. This is made possible because of the ultra-high-speed technology that is enabled in this VPN app.

- Fastest free VPN for Android
- Considered as one of the best VPN for Chrome mobile browser
- Completely free VPN
- Unlimited VPN data for users' browsing pleasure

A VPN like no other.
