

Guiding students through Secondary School via effective and sustainable educational resources

Providing comprehensive guidebooks and practices for secondary school students, CPD Singapore hopes to help students eventually score well in their examinations

SINGAPORE, December 26, 2020 /EINPresswire.com/ -- When it comes to revising for [secondary school](#) subjects, it can be difficult to decide where to begin. Compared to primary school, secondary school education requires students to possess a higher degree of critical thinking skills and have the capacity to understand deeper concepts. CPD Singapore is committed to bringing effective and reliable educational solutions to students, through its variety of [assessment books](#) and guidebooks that help students tackle different problems during examinations.

CPD Singapore is a Singapore-based education consultancy firm which provides educational solutions to its customers, consisting of a network of university professors, former National Institute of Education (NIE) lecturers, and ex-Ministry of Education (MOE) officers. CPD's assessment books are written by dedicated education professionals who aim to make learning engaging and effective for students of all levels.
