He authored the White Paper "Why Aerial Advertising? Can Advertising With An Airship (Blimp) Be As Effective As Traditional Forms Of Advertising?" along with his exclusive HOW TO GET HIRED FAST ([HowToGetHiredFast.com](http://HowToGetHiredFast.com)) New

Teaching Books to help folks find their next best new jobs and get hired fast.

He graduated from Pennsylvania State University with a B.A. in GNAS, Pre-Law.

Why did Ronnie Schmidt begin coaching job seekers now?

Ronnie was undecided about going to college. His Dad gave him this advice, get an education. His father was a veteran, had a 10th grade education, a good job and got Ronnie his first job. Ronnie worked as a maintenance helper for an electric company during his summers and retail salesperson at Christmas breaks.

By his senior year at Penn State, he realized that his goal of becoming a lawyer was not going to

happen. Even though he earned a B.A. degree, he knew he wouldn't make it in law school. Way too much reading. And in 1971, the job market looked bleak. Not knowing what to do, he was hired as a Sales Representative for Fram, which turned out to be the beginning of a successful career in sales and marketing, having been hired by 6 Fortune 500 companies.

He has been in the shoes of those who lost their jobs. Two of the Fortune 500 companies he worked for closed factory doors and hundreds lost their jobs.

And so, now's the perfect time to help those who need the Secrets, Tips, and Tactics he has learned to get to the front of the hiring line and get hired fast.
