

Bobcat Carpet & Fabric Care, Acclaimed Carpet Company, Debuts its Famous “All Gone” Carpet and Fabric Spotter Online

“All Gone” Carpet & Fabric Spotter is now available on the web: <https://buyallgone.com/>

LOS ANGELES, CA, UNITED STATES, January 11, 2021 /EINPresswire.com/ -- After 42 years of caring for some of the finest Carpet, rugs and textiles in homes around Southern California, Al and Vickie Casas, owners of [Bobcat Carpet & Fabric Care](#), have chosen to bring their unrivaled [“All Gone” Carpet and Fabric Spotter](#) to the internet. This is the same phenomenal spot cleaner Bobcat’s expert cleaning crews use to remove spots and stains from client’s textiles and each client is given a small bottle with every job to assist with spot treatment in between professional cleanings.

"With the COVID 19 shutdown, clients have been eager to perform small spot cleaning on their own more frequently without the cost and intrusion of workmen in their homes. We wanted to make it easier for clients to shop online," states Al Casas. " 'All-Gone' was developed many years ago in response to our clients' needs for a safe and effective carpet & fabric spotter. We understand professional textile cleaning is a luxury service so it was important to us for our clients to have a product that could be used to treat and remove stains on their own."

"At the time, there was nothing on the market that we could recommend to our clients that was safe for all materials, was an effective spot remover, and didn't cause re-soiling in the areas it was used. In turn 'All Gone' was created," concludes Al Casas.

“All Gone” Carpet & Fabric Spotter is now available on the web [here: https://buyallgone.com/](https://buyallgone.com/). “All Gone” will also still be available for pick up at Bobcat Carpet & Fabric Care's main location:
