

ECGC Limited and ECI Sign a Strategic Partnership Agreement

DUBAI, UAE, December 29, 2020 /EINPresswire.com/ -- ECGC Limited, a leading provider of digital solutions in the Middle East, has entered into a strategic partnership agreement with ECI, a global leader in digital transformation. The agreement aims to leverage the strengths of both organizations to drive digital innovation and growth in the region. ECGC will provide ECI with access to its extensive network of clients and partners, while ECI will offer ECGC advanced digital solutions and expertise. This partnership is expected to create significant value for both organizations and their stakeholders.
