NORTHERN NEW JERSEY, NEW JERSEY, UNITED STATES, December 31, 2020 /EINPresswire.com/ -- When an accident or serious injury happens, the effects can be devastating and long-lasting. OAS assists in objectively documenting the economic damages in a [personal injury](#) case.

OAS Specializes in evaluating seriously injured individuals in Personal Injury, Medical Malpractice, Product Liability, Motor Vehicle Accident, and Slip and Fall cases. A [vocational evaluation](#) is necessary in personal injury cases where an individual's injury has affected the persons' ability to go back and perform the same type of work, or to perform work activity that requires less physical demands.
