

Romania: Seeking Dracula's Castle Now Available on Prime Video

FRESHWATER, ISLE OF WIGHT, UNITED KINGDOM, December 31, 2020 /EINPresswire.com/ -- From 31st December 2020, Romania: Seeking Dracula's Castle is available on Prime Video in the UK and the USA!

In this travel history documentary, husband and wife team Greg and Felicity, from the Isle of Wight, set off across Romania in search of 'Dracula's Castle', and a deeper understanding of the history and legend surrounding Vlad Dracula III of Wallachia, better known as Vlad the Impaler! On their way they discover a series of castles, a beautiful country, and a story where history and legend intertwine! They are very excited to have teamed up with Prime Video to make this documentary available to Prime Video subscribers!

"Romania as a country makes such a wonderful backdrop for a story which blends history and legend - the country itself lies magically somewhere between the present and the past, and has a beauty all of its own." - Greg Chapman, Co-Presenter and Co-Director.
