only place online to bid on, buy and sell [FFPC](#) Dynasty Fantasy Football Teams featuring NFL players, has announced the official launch of its live auction platform at [DynastyDepot.com](#).

Unlike traditional fantasy football, Dynasty leagues allow participants to manage their own roster of NFL players year-round. The Dynasty Depot platform integrates with FFPC's database to allow for easy account setup and seamless exchange of pre-drafted Dynasty teams. Beginning January 4, Dynasty Depot members may list their own teams for sale and engage in real-time bidding

on other available teams.

“Starting today, Dynasty players are getting more opportunities to play — and win,” said Dynasty Depot Co-Founder Nelson Verbit. In addition to buy-and-sell functionality, members who purchase teams on Dynasty Depot are automatically entered into the [Leaderboards](#), a season-long promotional contest with prizes awarded to Total Points Leaders. The top players from each league earn seats at the FFPC Main Event, with a top prize of \$500,000. Players also get exclusive membership benefits from [RosterWatch](#), the industry's leading provider of year-round pro football player analysis and fantasy football intelligence.

“We'd like to say a giant thank-you to our partners at FFPC, RosterWatch, SiriusXM, The D Hotel, Circa Las Vegas, and dozens of others who've helped bring Dynasty Depot to life,” Verbit added.
