MONTREAL, QUEBEC, CANADA, January 3, 2021 /EINPresswire.com/ -- Ruby Bloome Gifts are made for all the vibrant, strong women you love. So this Valentine's Day why not celebrate that someone special? YOUR BEST FRIEND!

Our signature collection is a celebration of all the phases, moments, and connections that make our lives wonderful so that we can all remember the importance of being patient and kind to ourselves no matter what stage we are in.

Strawberry Delighted to Love you is full of timeless treasures so that you can make sure the important women in your life always know how amazing they are and how much they truly mean to you. Featuring the lifecycle of a strawberry plant and made with high-quality materials, this lovingly handcrafted collection is enchanting. Each piece is accompanied by a watercolour printed card, inscribed with a message of self-acceptance and joyful patience.

Strawberry Delighted to Love You speaks to all of us that need reminding so that these tokens of love leave a lasting and profound impression. Let's celebrate this Valentine's Day in good company, even at a distance, so that we can remind the women we love just how much they mean to us. These days, connecting can be difficult but sending love has never been easier. Let's reach out and reconnect to those special people so that we can grow, live, love, and bloom by each other's sides, even if we are apart.
