### [DOC AID - Your Online Doctor](#)

Doc Aid is a British Online platform by Lam Aid Ltd. (An UK based MNC, pioneering in web based and hybrid mobile based applications, in diversified domains) connecting and promoting the World Class Doctors on one platform, serving the world on your finger tips and offers the services of British Doctor, Indian, Pakistani & Asian Doctors , Gulf Doctors , American & European Doctor.

By connecting and promoting all Consultant Doctors, Doctors, Health Professionals, Clinics and Hospitals to serve the world at the crucial stage during the outbreak of Covid-19 pandemic in more than 180 countries.

Doc Aid App/Portal and its Services was launched on 26th March 2020, wherein more than 350 numbers of World Class Experienced and Qualified Consultant Doctors, Doctors and Healthcare Professionals worldwide, are already registered with us.

DocAid- Your Online Doctor

Lam Aid - MOBILE APPLICATIONS KING

Now our Consultant Doctors, Doctors and Healthcare Professionals are serving the patients worldwide.

This app allows patients from all over the world to avail competitive healthcare assistance from the Renowned Doctors and Healthcare Professionals, globally. Major features of this online appointment booking platform include the following:

- Patients can book an online appointment with registered Healthcare Professionals and ask health related questions.
- The Doctors and Healthcare Professionals, registered with us are highly credible and authentic as we follow a stringent KYC Verification Process. After properly verifying their documents, credentials etc, they are registered with us.
- Patients can compare the Consultation fees among the Doctors of their choice and go for the best Service offered in lieu of the best Value.
- Doc Aid will be helpful in the quarantine regions where people are not allowed to come out of their homes and are at high risk of being exposed to Covid-19. During their self-quarantine period, Doc Aid app/portal provides ability to patients and doctors to conduct live online consultation from any location using Smartphone, Apple Phone or Computer. This App would definitely prove highly beneficial to our Senior Citizens who are highly susceptible to this infection.
- Doc Aid app also provides the ability to patients to access their health records online from anywhere at any time, compare OPD fee before making online appointment, and search doctor by using search option by specifying the necessary fields.

What we are offering:
