Canterra Reprographics has been in the printing business for over 20 years and has earned the reputation of one of the most cost-effective and reliable printing shops, conveniently located in Downtown Calgary. The new website features all their services from innovative digital solutions like moving your business to the digital world with scanning, business cards, brochures and vinyl banners, coroplast signs, laminations, and more. One of the reasons why Canterra Reprographics has held and maintained its reputation in the market for over two decades is because they always keep themselves updated.

They continually streamline printing processes with technological advancements to ensure

consistent and high-quality work. Their new website features functionalities that make it easier for their customers to request a free quote online for printing services. Clients can simply upload the files on the businesses' website. To keep up with the current situation, they have introduced the printing of [COVID-19 signs and banners](#).

Canterra Reprographics is famous for large format printing solutions. From legal printing services to business cards, stationery, brochures, signage, banners and flyers, postcards, gazebo tents, they do it all. From start-ups to enterprise-level businesses, they help businesses find a brand identity and help their clients with any custom or theme-based, visually appealing print designs that'll attract potential customers at first sight. For personal use, they provide custom cards, personalized invitations, personal printing, and copying services.

Along with its durable and reliable printing service, Canterra Reprographics is also environmentally friendly. They are focused on reducing their carbon footprint. Their environmental initiatives include printing on recycled paper, and FSC certified paper, recycling all older equipment, empty toner bottles, pens, batteries, etc. They encourage on-demand printing and reduce waste by saving paper and energy with shorter print runs. They develop the best custom printing products with durable paper options and custom shapes that'll suit any business environment and represent brands uniquely.

At Canterra Reprographics, their customers are the focal point of their business. They aim to provide exceptional client service by offering complete confidentiality while printing, scanning, and archiving their business documents and providing effective, efficient printing deliverables on time. For over two decades, they have proved themselves to be the best available printing shop in downtown Calgary for custom printing products at an affordable price, whether it's for
