

# Paradyne Management Hires FBI IT and Operational Services Leader Roger Miller

*30-year law enforcement veteran strengthens company's federal justice market expertise*

GREENBELT, MD, UNITED STATES, January 6, 2021 /EINPresswire.com/ -- [Paradyne Management Inc.](#), a fast-growing technology leader delivering advanced data solutions to federal customers, today announced that [Roger Miller](#) has joined the company as the senior director of growth, justice markets. He is responsible for strengthening the company's relationships with federal agencies serving the homeland security mission.

"At Paradyne, we believe that valuable customer solutions come from a marriage of technology excellence and deep, industry-insider expertise," said Jack Ginsburg, COO of Paradyne.

"Roger has a vast amount of experience in the justice community and has been right in the middle of dealing with the complex technical issues it faces. We welcome him to our team serving federal agencies that protect the American people."

A 30-year industry leader, Miller most recently served as an assistant section chief at the FBI where he led IT and operational services programs within the National Security Branch. Previously, Miller served in a variety of diverse leadership and analysis positions for the FBI's Criminal Justice Information Services (CJIS) Division, the North Carolina Department of Justice,

National Institute of Justice, and the Virginia Beach Police Department.

“The justice market is undergoing an entire IT modernization effort, looking to machine learning, AI, cloud and data analytics to improve the effectiveness of intercepting criminals before they can harm our communities,” commented Miller. “I am eager to introduce justice leaders to the Paradyme experts and technology solutions that can help their missions to save lives.”

Miller holds a BA, Criminal Justice specialization in Homeland Security from Saint Leo University, where he volunteers as a mentor to students. He is also a veteran of the U.S. Navy.
