

An Inside Look at Showbiz

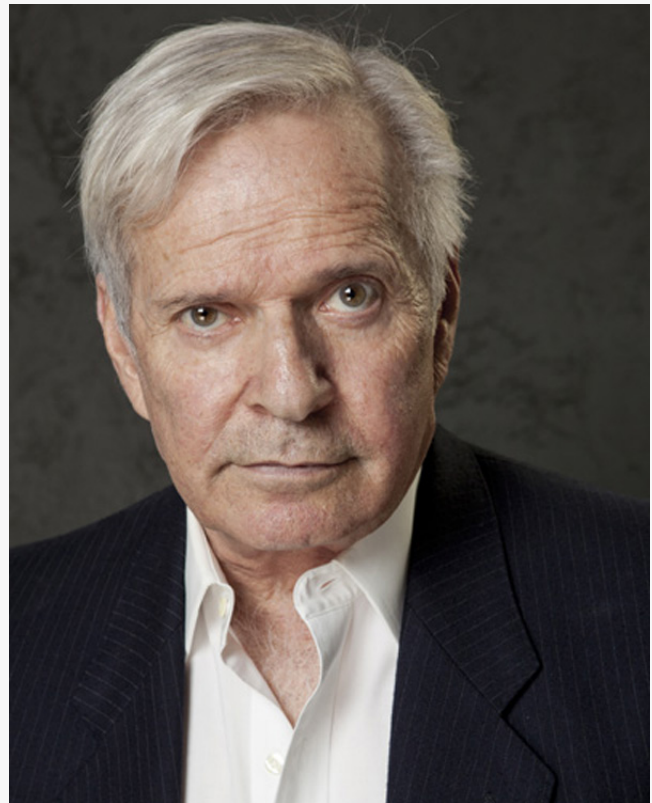

The story of a man who followed his dreams and achieved success

COOKSTOWN, NEW JERSEY, USA,
January 6, 2021 /EINPresswire.com/ --
Many people know that despite the open and visible nature of showbiz and the entertainment industry as a whole, there is much more than what meets the eye behind the scenes. Behind the glitz and the glamour of the limelight, there's blood, sweat, tears, joys and sorrows, grit and determination, and everything in between. It is rare however for people to see this side of the entertainment industry despite being familiar with it, because many people keep this side close to the chest. The book [A Dancer in Depth](#) by Stan Mazin however reveals this for everyone to see.

Stan Mazin's story mimics many of the other success stories in Hollywood. He started out taking mathematics in college until the call of the stage beckoned him to drop everything he was doing and pursue his true passion: dance. Thus, he left everything behind and went on his life journey, putting a time limit of 10 years to succeed or else go back to school to teach. Fortune favors the bold as the saying goes, and now Mazin has nearly six decades of showbiz experience under his belt.

A Dancer in Depth: Paragraphs from a Theater Life

Stan Mazin

A Dancer in Depth is both a mix of Stan Mazin's life story and his take on the entertainment industry. It is not a pure biography and is more like listening to a showbiz veteran talk on-stage, pouring his soul out for everyone to hear. Within the pages, along with his anecdotes from decades of work, are thoughts on life in general, tips and reflections on career, and so on.

Whether you love Hollywood, Broadway, or simply want a good human story, this book definitely deserves to be on your shelf!

Get your copy today, and visit Stan's website, www.stanmazinauthor.com, to learn more about the mind behind the book.

About Writers' Branding

Writers' Branding is a full-service self-publishing company that provides aspiring authors exclusive access to publicity and a pool of book evaluators and marketing creatives and bridges them to literary agencies and traditional publishing houses.
