The benefit of being a strategic partner in local Women's Council of Realtors Networks of Broward and Miami was crucial in communicating to real estate professionals and their clients. Silvia Rossbach, current Women's Council of Realtors-Broward Network board member and Co-founder of Max Home Inspections shared, "Supporting the Women's Council of Realtors as a Strategic Partner has been a mutually beneficial relationship on so many levels. Their Network of real estate professionals has been instrumental in getting our Safety message delivered to thousands of agents and their clients, especially first time home buyers".
