

HECHT PARTNERS LLP ENTERS PARTNERSHIP WITH BLOCKCHAIN COUNCIL

The Blockchain Council is an authoritative group of experts who are evangelizing the Blockchain Research, development, use cases, products and knowledge.

NEW YORK, NEW YORK, UNITED STATES, January 6, 2021

/EINPresswire.com/ -- [Hecht Partners](#) LLP ("Hecht Partners"), a commercial litigation firm focused on cryptocurrency/blockchain, intellectual property, class actions, and international arbitration and litigation, today announced that it has partnered with the [Blockchain Council](#).

"Hecht Partners is the first law firm in the world to partner with Blockchain Council, a group of blockchain experts promoting blockchain research and development, use cases, products, and knowledge," said [David L. Hecht](#), founder of Hecht Partners. The firm will work with Blockchain Council to further its Certified Blockchain & Law Professional course to include additional legal use-case studies and further refine its legal terminology.

To date, Mr. Hecht has earned several certifications from Blockchain Council—he is a Certified Blockchain Expert, Certified Bitcoin Expert, and Certified Blockchain & Law Professional. Others at Hecht Partners are currently pursuing these certifications.

Hecht Partners' attorneys are sought-after for their deep understanding of the blockchain and cryptocurrency space and technology. The firm is often brought in to litigate bet-the-company litigations. Recently, the firm prevailed on summary judgment against Apple, Inc. on behalf of its client, Corellium, which was named best cybersecurity product of 2020 by Forbes. The firm has also represented a founder of a cryptocurrency investment hedge fund in a dispute with the fund and his former partners.

Hecht Partners brings a flexible approach to fee arrangements that sets it apart from other top-tier firms that handle complex litigations. Accordingly, the firm attracts some of the most innovative and emerging companies and individuals in the entertainment, fashion, digital media, and tech industries.
