About Epic Waters Indoor Waterpark:

All-Access pass

Situated west of Highway 161 between Arkansas Lane and Warrior Trail near the southwest Dallas County-Tarrant County border, Epic Waters is an 80,000-square foot, resort-styled, indoor-outdoor waterpark that offers year-round operations delivered courtesy of an enormous retractable roof and a climate-controlled wintertime interior. The facility is the largest indoor waterpark under a single retractable roof in North America, as well as the largest indoor waterpark in Texas.

Billed as a “cruise ship on land,” the park boasts wet and dry attractions for every member of the family, including 12 waterslides, (three of which are waterpark industry firsts), the longest indoor “action” river in Texas, a children’s play area that’s equipped with an aquatic fort, a double FlowRider® surfing simulator, a 45-game arcade, a café and full-service bar, private event space and table-service cabanas, and much more. In 2019, the park added a 10,000 square-foot outdoor wave pool.

Epic Waters is operated by American Resort Management, Inc., an award-winning hospitality management company headquartered in Erie, PA and Grand Prairie, TX. Since opening in January of 2018, the park has attracted guests from all 50 states and 11 countries. Awards and accolades include a 2018 “Leading Edge” Award and “Wave Review Award” from the World Waterpark Association, a 2019 “Best of Big D” Award from D Magazine, and a 2019 “Best of Aquatics” Award from Aquatics International Magazine; as well as inclusion in the Travel Channel’s “8 Of the Most Incredible Indoor Waterparks” list, USA Today’s “10 Best Dallas Waterparks” list, and the “Best of Dallas 2018 Critic’s Pick” list from the Dallas Observer. In 2020, the park will host both the national and world flowboarding championships.

Epic Waters is a headline destination in an area known as EpicCentral Grand Prairie, a 172-acre recreation and entertainment development owned by the City of Grand Prairie. Other destinations at EpicCentral include The Summit (an award-winning, country club-styled recreation facility for active adults age 50+); the GrandLawn Amphitheater (an open air concert space that opened in August of 2018); The Epic (a 120,000 square-foot recreation facility that opened in November of 2018); and PlayGrand Adventures (a phased-development, ADA-accessible playground that opened in January of 2020). Wrapped around all of these walkable destinations are expansive green spaces, lakes, and a paved walking trail. In the next few years, these amenities will expand to include hotels and restaurants.
