

GEO and IPEO Specialist Javier Romeu joins CXC Global North America as Global Solutions Manager

Javier Romeu, GEO and IPEO specialist joins the CXC Global North America group as Global Solutions Manager.

PORTLAND, OREGON, UNITED STATES, January 12, 2021 /EINPresswire.com/ -- CXC Global are pleased to announce Javier Romeu has joined their North America group as Global Solutions Manager.

Javier specializes in Global Employment Outsourcing (GEO) and International Professional Employment Outsourcing (IPEO) solutions for North American companies seeking to engage workers globally. Javier is an experienced, solution-oriented executive with diverse expertise and experience directing account management, operations, sales, global deployment, consultative business strategy, and business development for Fortune 500 companies globally. Javier's familiarity with providing domestic and global Employer of Record "EOR" contingent workforce solution partnerships to Staffing Firms, MSP's, VMS Providers, Payroll and Contractor Compliance Firms, Independent Recruiters and Enterprise Corporations will enable him to provide solutions to our clients and partners in North America, Canada and Latin America, as well as globally.

Javier brings over 25 years of experience in employment outsourcing and technology, through assignments in Europe, Latin America, Asia and the USA. Prior to joining CXC Global, for the last 8 years Javier specialized in domestic and international employer of record and agent of record services, and independent contractor compliance and risk management solutions. Previously, as VP Sales-Latin America for Ip.access Ltd., he spearheaded the sales campaign to 12 mobile operators in the region, within 18 months and also served as Director and General Manager of Telecommunications at Samsung Electronics for Latin America. He also held senior positions at Motorola, and Texas Instruments. Javier earned a B.S. in Industrial Engineering from Iowa State University, and holds a Masters of Business Administration from the University of Houston.

CXC Global was established in 1992 in Sydney and provides compliant employed and self-employed global workforce management solutions to clients in 75+ countries globally, with 30 in-

country offices and partners with 100+ MSP's, RPO's and staffing companies globally. CXC's proprietary compliance platform CXC Comply (www.cxccomply.com) automates the process of onboarding, vetting and right to work checks.

CXC Americas and the wider global group extend a warm welcome to Javier and invite you to connect with him to begin discussions about CXC's compliant global workforce solutions; "GEO", "IPEO" & "EOR" for employed and self-employed workers. Companies around the world are now using more flexible workforce models, in order to keep their competitive advantage and adapt to the changing workforce landscape globally. Smart companies plan on increasing their use of remote workers as part of their contingent workforce and overall global workforce strategy in 2021. Talk to CXC about how we can assist.
