

Trustart Realty Now Offering Free Rental Analysis

One of the nation's best rental property management companies created for investors by investors is providing rental analysis at no cost.

PHILADELPHIA, PENNSYLVANIA,
UNITED STATES, January 9, 2021

/EINPresswire.com/ -- Representatives with [Trustart Realty](#) announced today that it is now offering free rental analysis.

"We're very excited to offer this," a company spokesperson for Trustart Realty said. "Our rental analysis consists of the comparable closed rental listings in the area report that will provide the owner with the market rent rate."

Trustart Realty, founded in 2012 as an investment firm, has grown into a full-service firm and serves North East Philadelphia, North Philadelphia, Frankford, Mayfair, Strawberry Mansion, Olney, Tacony, Bustleton, Fox Chase, Somerton, Lawncrest, Allegheny West, Germantown, Port Richmond, Bridesburg, Holesburg, and Torresdale.

The company spokesperson went on to point out that Trustart Realty is not a real estate agency. The company only manages properties. Trustart Realty is a member of the National Association of Residential Property Managers (NARPM), the Greater Philadelphia Association of Realtors (GPAR), and the National Association of Realtors (NAR).

"We are a locally owned property management company with vast knowledge and experience in the Philadelphia market," the spokesperson stressed, before adding, "We operate a full-service real estate management company that provides professional property management."

As to how customers rate Trustart Realty, one customer identified as Khadijah McGriff, highly recommended the company in her Google review.

"This was my first time renting out an apartment, and everything went so smooth and fast. Whenever I need to call, I can always reach them," McGriff said. "Very professional."

But she isn't the only one raving about Trustart Realty. A second customer, identified as Richard Jahnle, also gave the company two thumbs up.

"I used Trustart Realty in my search to buy a house," Jahnle recalled. "The entire process was smooth from start to finish. Very knowledgeable about the Philadelphia real estate market and the neighborhood where I was looking for the home (Germantown, Philadelphia). Always gave great advice on each property that we toured. This helped me learn more about each aspect of the home and gave me a better idea of when to put in an offer (and how much that offer should be). Very organized, punctual, and professional. I would highly recommend Trustart Realty to anyone looking to buy or sell a home in the Philadelphia area."
