Salon Gaboa

Salon [Gaboa](#) is looking forward to a great 2021. Bridget is now in the process of building out a spa, which will be open in the 2nd quarter of this year. Bridget's daughter Eliana will be following in the footsteps of her mother as she loves taking care of people and showing them how to take their skincare to the next level with plant-based Aveda products.

The team that Bridget has put together are all highly educated in the Aveda way. Bridget's Technical Training Program allows new and seasoned artists to completely understand the Gaboa spirit, which is felt throughout the salon.
