We have provided hundreds of feasibility studies nationwide and are approved with over 600 lenders.

Lenders look to Wert-Berater, LLC for the most comprehensive reports available. The feasibility study must include the following items:

- 1) Economic feasibility
- 2) Market feasibility
- 3) Technical feasibility
- 4) Financial feasibility
- 5) Management feasibility

For new construction gas stations, all items are evaluated, and revenues are projected based on

competitive analysis, housing formations and traffic count capture rates, competitors gallons and retail c-store sales revenues and market demand.

The cost of the feasibility study varies depending on the scale of the project. Please contact us at 1.888.661.4449 to discuss your project.
