The Catholic Foundation

Scholarship recipients are selected based on the criteria established by donors who created the funds to support gifted and deserving students by assisting them with the costs of their education. Donors often establish scholarship funds to honor or memorialize friends, teachers, family members, or other loved ones. Since 2007, The Catholic Foundation has awarded over \$1.3 million in scholarships empowering over 200 young people to continue their academic and vocational studies. With the continued generosity of donors who share this dedication to education, the Foundation will continue to support students as they answer God's call.
