

Tarps Now® Announces Expansion of Mesh Screen Tarps Offerings

New Lines of Mesh Screen Tarps added to meet increased levels of demand by consumers and industry

ST. JOSEPH, MICHIGAN, UNITED STATES, January 11, 2021 /EINPresswire.com/ -- Tarps Now® is pleased to announce the roll out of new lines of [Mesh Tarps](#) frequently used as protective coverings around homes, animal habitats and other outdoor structures. Tarps Now® routinely custom manufactures protective mesh tarp coverings in a variety of mesh screen exposure ratings, weights, fabric grades and colors, that are all engineered to provide outstanding levels of protection from intense sunlight, as well as other forces of nature.

Mesh Screen Tarps are in large demand specific to applications as windscreens that offer varying levels of wind resistance, depending on the selected material and design. Applications for these new lines of Mesh Screen Tarps extend to uses in and around homes, such as patios, decks, thresholds, gazebos, pools, picnic areas, barns, animal kennels and other outdoor recreational areas.

In addition, many businesses are adopting the use of Mesh [Shade Tarps](#) to protect employees who work in areas where prolonged exposure to the elements exists such as in agricultural processing areas, animal feedlot areas, warehousing dock areas, shipping and receiving areas, and many other applications where reduction of ultraviolet radiation associated with direct exposure to intense levels of direct sunlight.
