"The annual promotional list puts the spotlight on ten, talented and distinguished authors and helps readers make quality decisions as it pertains to their reading choices," explained Briggs. "These are endlessly gifted authors. Some are bestselling and have entertained for years; others are emerging but have captured the attention of readers across the globe. This indicates the depth of their talent and artistic diversity," she concluded.

Cozy-up with your favorite warm beverage and enjoy unpredictable plots and gratifying narratives that make the magic happen. The Best of Winter Reading, 2020, is organized by title; publisher; author's name; a short synopsis, and a link for additional information and purchase. The numerical order does not coincide with ranking.
