Why has Swaraj decided to release a set of SEO Tools in particular?

The veteran revealed his decision, saying: "Search Engine Optimization (SEO) has been a major part of Digital Marketing for many years now. Utilizing these SEO Tools will help businesses improve their search engine presence faster and efficiently".

But despite this, he has seen that there is still some hesitation in Search Engine Optimization (SEO), especially in this pandemic period. Without a next-level SEO strategy, Swaraj warns, the other aspects of your Digital Marketing strategy will be challenging to succeed."
