

# Registration opens for SMI's 3rd Annual Injectable Drug Delivery Conference

*SMI Reports: The Injectable Drug Delivery Conference returns as a virtual event on 12th and 13th May 2021*

LONDON, LONDON BRIDGE , UNITED KINGDOM, January 19, 2021 /EINPresswire.com/ -- Part of Europe's leading [Injectable](#) conference series, we will assess innovations in [drug](#) product formulation and biologics, innovations in device design, quality management and connectivity for enhanced subcutaneous [delivery](#).

This year's event will assess the evolving regulatory environment of injectable drug delivery with industry and regulatory representatives presenting updates on current guidelines.

Download the event brochure with the full agenda and speaker line-up [www.injectable-drug-delivery.com/einpr1a](http://www.injectable-drug-delivery.com/einpr1a)

Key reasons to attend:

- Delve into the latest work in complex formulation for subcutaneous delivery
- Benchmark against leading pharma companies working to enhance device design and development
- Understand the regulatory environment of the injectables space from leading regulatory and industry advisors
- Engage in industry case studies on design controls, human factors and parenteral formulation

Featured Speakers for 2021's:

- Amanda Matthews, Senior Director CMC, Devices, Pfizer

SMI's 3rd annual conference on... 

## Injectable Drug Delivery
