

# Jonas Tellis Announces Graduates for Tellis Educational Services Class of 2021 Winter Term

*Congratulations to the Graduates for Tellis Educational Services Class of 2021 Winter Term*

BIRMINGHAM, ALABAMA, UNITED STATES, January 21, 2021 /EINPresswire.com/ -- [Jonas Tellis Educational Services](#) is proud to announce their first graduating class for a high school diploma.

The students have worked very hard in the past months to ensure they get the education they need to improve their lives and further their educational careers.

[Jonas Tellis of Birmingham](#) is especially proud of their achievement because of the sacrifice these students put into their school work. Despite the many personal challenges, they are able to successfully take all their classes.

“

Your success is our success and together we will be successful.”

*Tellis Educational Services*

congratulate you from the bottom of my heart. This is a moment of celebration as you have completed your studies and now is very close to building your life into something you want. Your passion, commitment, and hard work to achieve your goals never fail to amaze anyone. I am happy for you. Along with your grades, your career will also take off soon. It is easy to dream but hard to make it

come true. You have made yours come true. I could not be any prouder of you. Congratulations

on your graduation."

Tellis educational services are committed to helping young people, especially African Americans access quality adult education. Getting a high school diploma opens doors to so many opportunities that can transform their lives.

With the certificate, some students will get a promotion in their workplace, or those without a job may be able to secure one. This will help remove them further away from the poverty line. Students also get an opportunity to further their education and careers by going to college. Having a college degree opens doors of opportunities especially for people from low-income communities.

Dr. Jonas Tellis and his team at Tellis educational services are always ready to provide their students with all the help they need. He's someone with a passion for his community and he believes education is one of the best ways to take people out of poverty.
