Pacific Service Credit Union (Pacific Service CU), a full-service financial institution serving several counties throughout California, provided \$50,000 to the Food Bank of Contra Costa & Solano to assist the local community during the holiday season. A portion of the proceeds were raised directly by Pacific Service CU employees through a virtual food drive. Pacific Service CU presented a ceremonial check to the Food Bank in December, and the occasion was featured on local CBS television station KPIX Channel 5 as part of its Food For Bay Area Families campaign.

In 2020, Pacific Service CU donated \$212,000 to approximately 30 non-profit organizations. Additional organizations that benefit from Pacific Service Credit Union's corporate philanthropy include, Children's Miracle Network, Youth Homes, Shelter Inc., the Monument Crisis Center and Valley Children's Hospital.

For the past six years, Pacific Service Credit Union has been ranked by the San Francisco Business Times for corporate philanthropy, joining only a handful of companies that donate more than 2% of their net earnings to charities located in the communities they serve.
