MediaOps Announces the 2020 DevOps Dozen² Awards Honorees

MediaOps announces the recipients of the sixth annual DevOps Dozen Awards in recognition of their outstanding leadership and service to the DevOps community.

BOCA RATON , FL , UNITES STATED, January 22, 2021 /EINPresswire.com/ -- MediaOps, the place to tell your story in the most powerful way, has published the list of honorees for the 24 categories of the 2020 DevOps Dozen² Awards. The DevOps Dozen Awards highlight the most agile and distinguished individuals and companies who have demonstrated exceptional performance and commitment to the DevOps community.

This year's awards include twice the number of categories than in previous years, divided into two main sections: DevOps Dozen Tools and Services Awards and DevOps Dozen Community Awards.

The DevOps Dozen honorees have displayed resilience, determination, commitment and willingness to embrace change in a year of unprecedented challenges to drive their business—and the industry—forward. They represent the best of the best in the maturing DevOps space.

"It is a privilege and an honor to present these awards to such hardworking, inspirational and innovative individuals, projects and organizations," said Alan Shimel, CEO of MediaOps. "Each and every one of them is a valuable asset to the DevOps community. Congratulations to all the honorees, and to the finalists as well, for making our community better through their leadership and service."
