Da'Wax Top Selling Hair Wax

“

We are very excited about the North American launch of our top selling hair wax called Da'Wax. Because, for many years, USA based customers have been willing to buy it from us in Europe.”

Gary & Angelika Young

Da'Wax is elegantly packaged in a bamboo tub and rustic gift pouch. It makes a perfect gift as it's quite stylish. Anyone will be proud to display it in their bathroom. The packaging also encourages you to reuse it. The wax itself is made from the finest quality European ingredients. It has a fresh, clean scent. There's no residue once you've applied the wax to your hair. At the end of the day, it washes out easily.

This matte hair wax provides strong, all-day hold. Yet it allows you to sculpt and restyle. Simply rub slightly dampened hands through your hair. The water will soften the wax temporarily. You can restyle and the wax will harden again. You only need a pea-sized amount of wax to achieve this amazing effect. A single tub will last for months. So Da'Wax saves you money over time.

Da'Wax is produced by a small, family-owned haircare business. They believe that everyone is beautiful. Their products aim to bring out that beauty. Every tub of Da'Wax is made with care. The product is never tested on animals. Click here to learn more about the Da'Dude line of
