

Kind Attention Biden-Harris Team: There Is A Path To Transforming America Into Real Health, Happiness, & Prosperity

*There is a silver bullet to addressing the many problems facing America.
Blockchain every government action.
Start by creating a #CryptoEquity Task Force...*

WASHINGTON, DC, UNITED STATES,
January 25, 2021 /EINPresswire.com/ --

There is a need to make all

government, company, and individual behavior transparent. #Cryptoing all human behavior will make injustice, inequality, corruption, discrimination, and favoritism under full public view exposing illegal activity of the government, leaders, parties, organizations, banks, police, judges, companies, groups, tribes, and even educational and health institutions. Even #crypto the upbringing of the good and bad citizens. Crypto the upbringing of the likes of Amanda Gorman and Tiger Woods as well as serial killers.

“

Cryptoing all government and private actions will leave less room for inequality, bias, and favoritism as it will be exposed to a full public view. It will also optimize the knowledge means for all.”

Sajid Khan

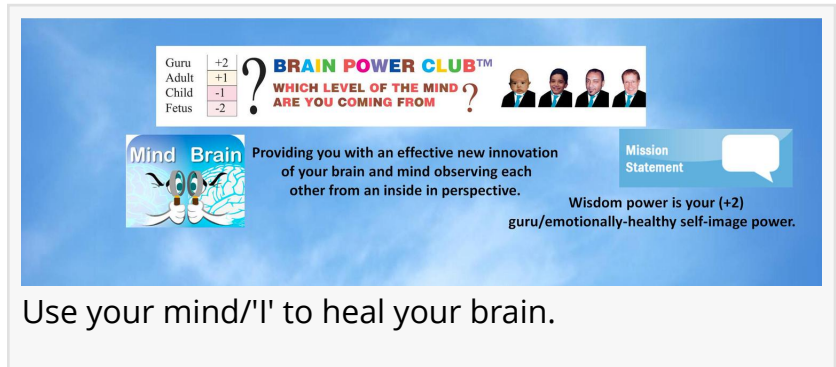

Develop standards for #CryptoEquality, CryptoJustice, CryptoUpbringing, CryptoEducation, CryptoHealthcare, CryptoSocialSecurity...

By cryptoing every action expose all injustice, inequality, corruption, and favoritism, etc.

Crypto the upbringing of Jews and even Black daughters and sons. It will show how the Jews are able to join the ultimate power table in huge numbers and are also able to create their own power tables. It will show why Black daughters are thriving, and our Black sons are a mess.

It will show why 80% of top sports stars become bankrupt within four years of retirement.

It will show why 50% of Americans end up struggling to make ends meet.
