

Career and Resume Experts Present “Revamp Your Resume: How to Get Callbacks and Interviews” Virtual Workshop Jan. 29

Career expert, author Christy Noel hosts free hands-on resume workshop with professional resume writers and career coaches to help today's job seekers

LOS ANGELES, CALIFORNIA, UNITED STATES, January 25, 2021

/EINPresswire.com/ -- With over 18 million people collecting unemployment and once vibrant industries like travel and hospitality not likely to recover for years, finding work in today's job market continues to be challenging. To help job seekers overcome the challenge and create a resume that gets them interviews, Los Angeles, CA-based [Christy Noel](#), career expert and co-author of "[Your Personal Career Coach](#). Real-World Experiences for Early Career Success" (BBL Publishing), is hosting a virtual resume workshop, [Revamp Your Resume: How to Get Callbacks and Interviews](#) on Friday, January 29th at 10 am PST / 1 pm EST. Registration is free at <https://www.subscribe.com/revampyourresume>.

Noel invited several of the book's contributing authors and resume experts as panelists to provide hands-on advice and actionable tips job seekers need to know. The live workshop will include an extended Q&A session with the panelists. Attendees will have the opportunity to win a free resume consult with panelist Michele Lando, founder of Write Styles Online and contributing author of "Your Personal Career Coach" or autographed copies of Noel's career advice books "Your Personal Career Coach: Real-World Experiences for Early Career Success" (BBL Publishing) and "Your Career Survival Guide: How To Get and Keep a Job in Times of Crisis" (BBL Publishing).

companies are hiring. The sad truth is if their resume isn't positioned to grab the attention of hiring managers and recruiters, they will never get interviews, no matter how strong the economy," said Noel. "I am excited to bring together these exceptional resume writers to share effective resume strategies so attendees can craft a resume that will get them results."

In addition to Noel, the Revamp Your Resume career expert panel includes:

Dana Leavy-Detrick: director and founder of Brooklyn Resume Studio and Canna Career Partners

Michele Lando: professional resume writer and founder of Write Styles

Jessica Williams: career consultant, hiring expert, CEO and president of JMW Career Consulting

"When Christy asked me to participate in this workshop, I thought it was a great opportunity to provide resources to job seekers in a time when many are struggling," says Lando. "I see a lot of professionals fail to articulate their value on their resume, which often makes them less appealing when applying for jobs. A few simple adjustments and additional information can make a huge difference when writing a resume, so I'm excited to share this information with our attendees."

“

If a job seeker's resume doesn't grab the attention of hiring managers and recruiters, they will never get interviews, no matter how strong the economy."

Lando added that some of the common mistakes most job seekers are probably making with their resume include:

- Not including a keyword optimized skills matrix at the top of their resume
- Not writing or editing their resume with the desired job description in front of them
- Only highlighting their current and past job duties, instead of their achievements

Revamp Your Resume will address mistakes like these and provide actionable advice and practical tips to help job

seekers write a resume that will catch the attention of hiring managers and generate more calls and job interviews. Attendees will also learn:

- Resume secrets that will help them stand out
- Common mistakes that are keeping them from being noticed
- How to position their resume for a career change
- What they need to leave off their resume
