“

Social Media built by determination, ingenuity, and resilience. It is packed with preparatory and exclusive technology, mold by pure innovation developed from within for the benefit of users”

Dr. Henry Balogun

As revealed by its Founder/CEO Dr. Henry I. Balogun, “www.PrimeHangout.com is a [Social Media](#) built by determination, ingenuity, and resilience. It is packed with preparatory and exclusive technology, mold by pure innovation developed from within for the benefit of users.”

As revealed by Dr. Balogun, “It has always been my desire to compete on a large scale, thereby challenge the status

quo. I was not unaware of those humongous obstacle, unspeakable cloud of doubt at home and abroad including limited financial access available to people like me. As determined as I was, I could not lean on my own strength. As a child growing up in Ikere Ekiti, Nigeria, my mom instilled in me to never rest on my laurels; to always look forward knowing that ‘with God, all things are possible.’ I was ready and prepared to be ridiculed, possibly lampooned, and make fun of at home by people who are likely to see my effort as doing something not meant for Africans. Somehow, giving up was not an option.”

By the grace of God, www.PrimeHangout.com is here. We are asking you ladies and gentlemen, students and educators, businesspeople, pastors, doctors, engineers, computer specialists, members of the media, politicians, and the public to register to use it.
