

# N2N Services joins the IMS Global Learning Consortium

*With this partnership N2N takes its place in a global consortium of like-minded companies and institutions working to move edtech toward a better future.*

DULUTH, GEORGIA, USA, February 3, 2021 /EINPresswire.com/ -- N2N Services, Inc., a leading platform provider for higher education systems

IMS's focus on sophisticated yet seamless edtech dovetails perfectly with our mission at N2N. We share their vision for the future of edtech, and I believe this will be a great match."

*Kiran Kodithala*

integration, today announced their membership in the IMS Global Learning Consortium. N2N's membership in the Consortium will ensure it's an integral part of the work being done to move the edtech ecosystem forward in coming years.

The IMS Learning Consortium is a group of collaborators from higher education, K-12 districts, states, and edtech suppliers that are working on moving edtech toward broad adoption of innovative, standards-enabled practices.

Together, the members of the consortium are defining, adopting, and evolving a revolutionary integrated environment to enable better teaching and learning.

"We're thrilled to be joining the IMS Consortium," said N2N CEO Kiran Kodithala. "This is a group that is doing some groundbreaking work in edtech, and we're excited to contribute to that work. IMS's focus on sophisticated yet seamless edtech dovetails perfectly with our mission at N2N. We share their vision for the future of edtech, and I believe this will be a great match."

## About IMS

IMS is the world's leading non-profit collaborative advancing edtech interoperability, innovation, and learning impact. IMS enables a plug and play architecture and ecosystem that provides a foundation on which innovative products can be rapidly deployed and work together seamlessly. IMS certification is a bond of trust and commitment to creating innovative products that work together for the benefit of instructors, students, and institutions.
