

# Keri Ann DeMott Foundation And OnMyWay Partner To End Distracted Driving

CHARLESTON, SOUTH CAROLINA, UNITED STATES, January 28, 2021 /EINPresswire.com/ -- [OnMyWay](#), the #1 mobile app that pays its users to drive safely, has announced a partnership with the [Keri Ann DeMott Foundation](#).

The Keri Ann DeMott Foundation is a non-profit organization that shares OnMyWay's mission to end impaired/distracted driving. The Foundation was created after the tragic death of 20-year-old Keri Ann DeMott, who was killed by an impaired/distracted driver.

Through their partnership, OnMyWay and the Foundation hope to not only raise awareness but encourage more people to download OnMyWay in their joint effort to "Save Lives and Prevent Car Crashes."

Distracted driving has reached epidemic levels, and in fact, it's estimated that one-third of all car accidents are caused by distracted driving. While every state in the country has laws on the books to punish those who text while driving, even the toughest laws don't seem to stop people from looking at their phones while they're on the road.

At the time of this release, OnMyWay has "Saved 143 Lives" and "Prevented 21,901 Car Crashes."

To honor Keri Ann's memory and to launch their partnership, OnMyWay has featured Keri Ann's story on the "Real People" section of their website, which you can view at <https://onmyway.com/blog/real-people/keri-anne-demott/>.

Additionally, [OnMyWay has donated \\$10,000 in free travel rewards](https://r.onmyway.com) for simply referring 1 user to sign up for the OnMyWay mobile app @ <https://r.onmyway.com>
