Named after the Goddess of Love, the Life Elements Venus CBD Bath Bomb will transform the tub into a steamy and stimulating soak with natural ingredients such as Sweet Orange and Sandalwood to get couples in the mood. Meditative oils including Ylang Ylang, Honey and Rose blend with 300mg of organic, high quality, broad-spectrum, water-soluble CBD to reduce pain and relax the body in anticipation of a purely pleasurable experience.

CBD in the Bedroom? Life Elements plant-based CBD Body Oil is versatile as an amazing body massage oil AND as an intimacy lubricant. A complete game-changer in the bedroom, it works wonders on the skin and feels THAT much better down there. The CBD interacts with body receptors, thereby enhancing pleasure and blood flow.
