“

The story of God's redemptive mission has changed me. It's changed the way I pray, the way I give, the way I spend my time, and the way I interact with others.”

Mark Young

One True Story, One True God shows how God has moved through history with redemptive, missional intent and gives readers a glimpse of how God will use them to further accomplish His plan. From Adam's creation to Jesus's return, the book shows where we've been, where we are, and where we are going. By seeing the historical context of God's redemption plan, readers will have a fresh understanding of God's big story and where they fit in it.

“The story of God's redemptive mission has changed me,”

says Young. “It's changed the way I pray, the way I give, the way I spend my time, and the way I interact with others.”

Young's new book is ideal for believers who want a sense of purpose and fresh understanding about where they fit in God's plan.
